SPA ONE4YOU

SPA ONE4YOU

SPA One4You is a luxurious spa & wellness area surrounded with lush Istrian vegetation, equipped with outdoor whirlpools, treatment tents, a rain room, a sauna, outdoor relaxation areas, a yoga platform and a outdoor fitness studio, that offers guests the space for relaxation of the body and soul. SPA One4You is designed and created in accordance with the nature and the concept of 4 elements – earth, air, water and fire.

Spa programs and accompanying activities are entirely devoted to achieving the harmony of mind and body (mind full vs. mindful). They are based on the healthy lifestyle concept and include yoga, meditation, corrective gymnastics and stress reduction activities, while exclusively certified spa products of natural and organic origin are being used in all treatments.
